

Menu Select is your complete menu solution backed by the full support of F&I Express®.

You can eRate and eRegister your products all in one place with F&I Express eContracting. With our Menu Select solution, you'll connect to the menu of your choice and the largest aftermarket provider network in the industry.

Choose Your Menu Preference

You have the flexibility to choose from a range of menu presentation types – anything from a basic traditional four-column to an advanced online selling system. Plus we will provide full support all along the way. We have the menu solution to fulfill your needs.

The Power of Our Network

eContracting options are available directly from your DMS or via Menu Select and our affiliated menus. Our network of over 160 providers makes it possible to integrate with leading menu companies for seamless eContracting, with additional access through Menu Select.
